Baltic Summer Recreation Participant Rules

The Summer Youth Recreation Program is designed to be enjoyable for all of those participating, including the children, staff and volunteers. In order for everyone to get the most out of the Summer Youth Recreation Program, the following rules will be enforced.

1. Children must stay with the group at all times, including but not limited to field trips and swimming. The City of Baltic and the summer recreation employees cannot be responsible for the child that leaves the group. Children must ride home on the school bus, unless written permission from a parent was obtained prior to the field trip, or unless a parent or guardian present themselves to the Summer Youth Director and personally take responsibility for the child.
2. All children must show respect for other children, staff, volunteers, and other persons they come in contact with at all times.

Showing respect means:

- Not using improper language
- No improper touching of other people or their belongings
- Following directions of the staff
- Being courteous to other people

3. There will be a zero tolerance for any type of weapon. Children are not allowed to bring any guns (toy or real), knives (toy or real) or any other type of weapon.

Again in order for the Summer Youth Recreation Program to be a positive experience for all involved, the children must follow the above rules. We want everyone to have fun. In order to do this, the staff cannot spend a significant amount of time disciplining children; therefore, children are expected to behave. If a child chooses not to follow the rules, we have a “three strikes” policy. The Summer Youth Director will send a note home with your child and will make a reasonable attempt to phone the parent/guardian to inform them that their child has received a “strike”. With each “strike” the director has the option of suspending the child from the program for up to two days. If a child gets a third strike they will be expelled from the program for the duration. If the child is expelled from the program, the registration money (\$135) will **not** be refunded.

The **Summer Recreation Rules Contract** must be signed and returned at the time of registration.
